*Working every day to be the premier city in Eastern Oregon*

**June 2022**

## **STREETS UPDATE**

City Council's number one goal is to eventually have all of our streets to good condition. The major hurdle is our current levels of funding for streets do not allow for this investment – streets are very expensive to maintain – and only getting more expensive. City Council continues to explore additional funding considerations for preservation of the City's street network. Significant investment has been made recently, with about \$3.2 million invested in 2022 and \$2.4 million invested in 2021. For 2022, it is anticipated that our investment will be about \$3.7 million.

City staff use a program, Street Saver, to help determine which streets will receive treatment. These treatments consist of crack sealing, slurry sealing, overlay, and/or reconstruction. The program balances available budget and current pavement condition information to provide a list of streets and recommended treatments. City staff also assess underground city-owned utilities, and coordination with private utilities, as part of the consideration. This information is combined in recommending project award consideration to City Council.

Specific to the Urban Renewal District (URD), state law only allows URD funds to be used for street reconstruction or new construction. City staff used pavement condition information to determine which streets in the URD were eligible for reconstruction. Staff has made recommendations to the Pendleton Development Commission (PDC) on which streets are eligible for reconstruction. City has been reconstructing streets within the URD the last several years and have more to complete in the future as URD funding allows.

Here's a summary of our street projects for the 2022 construction season:

Slurry Seal Project: awarded at about \$362,580 to Doolittle Construction LLC with completion targeted for the end of August 2022 (before school starts). Slurry seal is an application of oil and fine rock mix used to refresh the surface of the pavement. Projects underway include:

- NW Johns Lane (N Main to NW 4<sup>th</sup>);
- SW 10<sup>th</sup> Court (Nye to Cul-de-sac);
- SW 11<sup>th</sup> Court (Nye to Cul-de-sac);
- SW 12<sup>th</sup> Drive (Nye to end of pavement);
- SW Alpha Court (Athens to Cul-de-sac);
- SW Theta Court (Athens to Cul-de-sac);
- SW 21<sup>st</sup> (Nye to dead end at gate);
- SW 25<sup>th</sup> (Marshall to SW 30<sup>th</sup>);
- SW Quinney (100 feet west of 22<sup>nd</sup> to end of pavement);
- SW Runnion Lane (lot 1885 / pave change to Cul-de-sac);
- SW Quinney Lane (Quinney to Cul-de-sac);

**URBAN RENEWAL: 2022 RECONSTRUCTION PROJECT:** out to bid with an estimated cost of about \$2,054,000. Bid recommendation will be considered by Pendleton Development Commission (PDC) on Tuesday, June 21, 2022. Reconstruction work will include:

SE Byers (SW 1<sup>st</sup> to SE 7<sup>th</sup>);  
 SE 4<sup>th</sup> (Byers to Court); and  
 SW 10<sup>th</sup> (Dorion to Emigrant).

Due to supply chain issues for replacement of underground utilities, City and PDC have delayed two large street projects for the 2023 construction season: \$1.95 million for NW Despain (Main Street Bridge to NW 7<sup>th</sup>), Main Street Bridge overlay, and potential treatment on N Main; and \$1.5 million for reconstruction of SE 3<sup>rd</sup> (Frazer to Byers).

**City Offices will be closed Monday, July 4th in honor of Independence Day.**

A fundraiser for youth scholarships through Pendleton Parks and Recreation

The Wild West Beerfest features a great selection of micro-brews from across the northwest. The admission fee includes an event glass (token package deals are available). All attendees must be 21 years of age or older. Tastings are available for 1 token, or a full mug can be purchased for 2 tokens.

*The event will feature live music, food booths, and of course lots of beer.*

## **WHO DOES THIS BENEFIT:**

### **Pendleton Parks & Recreation Youth Scholarship Fund**

When children from low-income families cannot afford participation fees, they can request assistance in the form of 50% or 90% scholarships. The difference between the cost of the program, and the amount the family can pay, is subsidized by fundraisers such as this. For more information on scholarships click [HERE](#)
