Welcome to Express Scripts

CIS and Express Scripts want you to know that Express Scripts manages your prescription plan. We care about your health and work to make medications safer and more affordable. We encourage you to take advantage of the services and resources available to help you and your dependents manage your pharmacy benefit. We look forward to serving you soon!

Why pay more? Make the move to a 3-month supply.

Under your prescription plan, you have the option to order 3-month supplies of long-term medications from certain participating retail pharmacies or through home delivery from Express Scripts® Pharmacy. [1]

To start ordering a 3-month supply from Express Scripts® Pharmacy, register or log in at **express-scripts.com**. (Standard shipping is free with home delivery.[2])

To find a retail pharmacy that participates in 3-month supplies, log in at **express-scripts.com** and choose Find a Pharmacy from the menu under Prescriptions. The pharmacy can tell you how to transfer your prescription or start a new one. Search results will indicate whether a pharmacy is eligible to dispense up to a 3-month supply.

According to your plan, you can keep filling one month at a time but you could miss out on convenience and savings.

[1]Long-term medications are taken for an ongoing condition, such as high blood pressure, high cholesterol and asthma.
[2]Cost of standard shipping is included as part of your prescription plan.

Accredo, Your Specialty Pharmacy

Accredo is the Express Scripts specialty pharmacy. A specialty pharmacy provides medication and therapy for patients with serious, chronic conditions like cancer and hepatitis C. Accredo offers teams of pharmacists, nurses and clinicians who are specialty trained on your condition. This level of individualized, focused care gives you the most comprehensive, compassionate and customized care available.

Accredo offers many patient support services, including:

- Personal care and health advocacy assistance from patient care coordinators
- Coordination of financial assistance (availability varies by plan)
- Guidance for patients and caregivers for taking specialty medications most effectively
- All necessary ancillary supplies such as syringes and sharps containers

Specialty medications must be filled through Accredo to receive coverage. To learn more about Accredo, please visit **accredo.com.**

CIS has partnered with SaveonSP to provide a specialty pharmacy copayment assistance program. If you attempt to fill a specialty prescription that falls under this program, an Accredo representative will assist you with enrollment in the program by transferring you to SaveonSP. More information about this program can be found in your Plan Booklet.

EXPRESS SCRIPTS®

Network Retail Pharmacies

Network pharmacies are retail pharmacies that are preferred by your prescription plan. Use them for prescriptions you need on a short-term basis, like an antibiotic to treat an infection. When you go to an in-network pharmacy for up to a 30-day supply of medication, you'll typically pay less than at a retail pharmacy that's out of your network.

To find an in-network pharmacy near you, go to **express-scripts.com/CIS6** and select Locate a Pharmacy. Search results will indicate whether a pharmacy is eligible to dispense up to a 3-month supply. You may also log in at **express-scripts.com** and choose **Find a Pharmacy** from the menu under **Prescriptions** or call Express Scripts at 800.496.4182.

If you're new to Regence BCBS coverage, be sure to show your new Express Scripts ID card at the pharmacy. You can also access your ID card by downloading the Express Scripts® mobile app. If you don't show your ID card and instead choose to pay the entire cost of the medication, you must submit a claim form to Express Scripts for reimbursement. You'll be reimbursed based on the covered medication's contracted rate minus the appropriate copayment. This amount will be lower than the amount you paid out of pocket at the retail pharmacy.

If you need to transfer your prescription from an out-of-network pharmacy to an in-network pharmacy, just choose one of the following:

- Bring your prescription vial or container to an in-network pharmacy, and the pharmacist will transfer it.
- Call a pharmacy in your network, and ask the pharmacist to transfer your medication.
- Ask your doctor to send your prescription in to an in-network pharmacy using e-prescribing.

Manage Your Prescription

One of the great things about being an Express Scripts member is that you can manage your medication easily on your laptop, tablet, desktop or phone. Whether you want to check your order status, look for savings opportunities, look up information about your benefit, get a refill or even find a pharmacy, the Express Scripts website and mobile app can help!

Just register at express-scripts.com or download the mobile app to your mobile device for free by searching your app store for Express Scripts. (Availability and features may vary.)

Formulary

A preferred medication list, also called a formulary, helps keep healthcare costs down for everybody. It's a list of medications that have been reviewed and approved for safety and effectiveness by a panel of doctors and pharmacists. This list is continually reviewed and updated as new medications become available.

Note that certain medications are excluded from your formulary, which means they're not covered. An equally effective and safe alternative may be available. To check pricing and coverage for a medication, visit express-scripts.com/CIS6. Drug classes with excluded medications include Autonomic and Central Nervous System, Cardiovascular and Dermatological.

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, go to https://regence.com or call 1 (888) 370-6159. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. You can view the Glossary at healthcare.gov/sbc-glossary or call 1 (888) 370-6159 to request a copy. **Please Note:** Your medical plan is provided and insured by CIS, but administered by Regence BlueCross BlueShield of Oregon. This means that CIS, not Regence BlueCross BlueShield of Oregon, pays for your covered medical services and supplies.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	$250 individual / $750 family per calendar year.	Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan, each family member must meet their own individual deductible until the total amount of deductible expenses paid by all family members meets the overall family deductible.
Are there services covered before you meet your deductible?	Yes. Certain preventive care and those services listed below as "deductible does not apply" or as "No charge."	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible. See a list of covered preventive services at healthcare.gov/coverage/preventive-care-benefits/.
Are there other deductibles for specific services?	No.	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	Preferred & Participating: $2,250 individual / $4,750 family per calendar year. Nonparticipating: $4,250 individual / $8,750 family per calendar year.	The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan, they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met.
What is not included in the out-of-pocket limit?	Premiums, prescription drug out-of-pocket limit, balance-billing charges, and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See https://regence.com/go/OR/Preferred or call 1 (888) 370-6159 for a list of network providers.	You pay the least if you use a provider in the preferred network. You pay more if you use a provider in the participating network. You will pay the most if you use a nonparticipating provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use a nonparticipating provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist?	No.	You can see the specialist you choose without a referral.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
