Not sure if you're qualified? Take heart! We know that candidates come from a variety of backgrounds and life experiences. We also know that studies show that some people - such as women and people of color - are less likely to apply for jobs unless they believe they can perform every job task we describe. We are interested in finding the best candidates for our jobs, so you are encouraged to think broadly about your background and skills – even if you aren't sure you meet all the hiring criteria described. If you can see yourself in the position, we just might agree!

Our community is known for our famous Pendleton Round-Up, which takes place the second full week in September each year. If you'd like to live in a region offering all four seasons, a town that rolls out the welcome mat to visitors, and a City that is implementing growth while working every day to enhance community livability through safety and a sense of community, Pendleton could be your fit!
