

Till Taylor 101 Project Donation Campaign

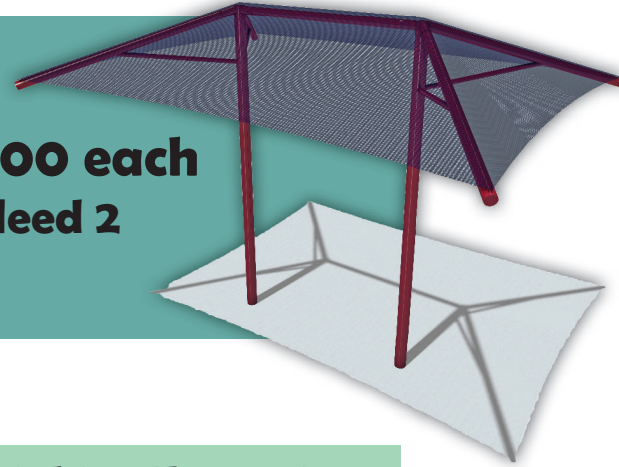

The Til Taylor 101 Project, named for its completion on the 101st anniversary of Sheriff Til Taylor's murder, will revitalize one of Pendleton's most historic parks and with it, bring a unique ADA accessible play experience for the entire family. The Til Taylor statue and memorial wall will remain in place, but two new playgrounds and a splash pad will be installed where the deteriorating wading pool existed. A fenced in dog park will also be added to the opposite side of the park, which was a need that was highlighted in the 2018 Campbell and DeLong resources survey.
