

CITY OF PENDLETON
Public Works Department – Water Division
Request for Quotes

The City of Pendleton Public Works Department is requesting quotes for the purchase and installation of (1) 16” insertion resilient wedge gate valve and (1) 8” insertion resilient wedge gate valve in its water distribution system. These valves are needed in a part of the water system where currently a shutdown affects approximately 600 customers.

Signed quotes shall be on Bidder’s letterhead and returned to the City of Pendleton, c/o Sean Tarter, Water Superintendent, 500 SW Dorion Avenue, Pendleton, OR 97801 by 2:00 pm local time, Thursday, January 26, 2023. The envelope shall be plainly marked “Public Works-Water Division”. Quotes may also be submitted by email to sean.tarter@ci.pendleton.or.us clearly marked “Public Works -Water Division”. For more information, contact Sean Tarter at 541 969-3161 or sean.tarter@ci.pendleton.or.us.

City reserves, at its sole discretion, the right to select equipment and supplier that best meets their desired specifications.

Consideration will also be given to availability of contractor to perform the installation and length of installation procedure, as City desires to have these valves installed and working in the system no later than May 2, 2023.

The Bidder agrees to indemnify and save harmless the City of Pendleton from any and all defects appearing or developing in the workmanship or materials furnished under this RFQ for a period of one (1) year from the date of installation and final acceptance by the City.

All warranty and inspection certificates shall be included with delivery. Full details of the equipment, including warranty, shall be supplied with the quote.

The City of Pendleton reserves the right to reject any or all quotes, or portions of, waive any informalities and/or accept the quote which is in the best interest of the City of Pendleton.
