Capitol Asset & Pavement Services, Silverton, OR

Applied Pavement Technology, Urbana, IL

Note: The scoring sheet is to be used as a guide. Selection Team members will score independently based on the criteria outlined in the Request for Proposal. Final rankings will be based on the Selection Team's collective group discussion, average scoring, and final rankings. Selection Team final rankings will be the basis for recommendation to award to City Manager. Fees and final scope will be negotiated after City Manager approval of selection rankings.
