RE: Notice of Intent to Award – WWTRRF Blower Package Request for Quotes (RFQ)

To All Interested Parties:

City staff will be recommending City Council award of the WWTRRF Blower Package to Aerzen USA Corp. on Tuesday, August 15, 2023. The Council meeting begins at 7:00 p.m. and will be held in the Council Chambers on the 2nd Floor of City Hall, 500 SW Dorion Ave, Pendleton. Virtual attendance is provided via Zoom at <https://pendleton.or.us/> by following the Meetings/Calendar tab.

Staff completed review of each Quote and documents submitted for completeness and determined the first and third lowest Quotes to be Non-Responsive. Therefore, Universal Blower Pac's Quote is declared to be second lowest.

This Notice of Intent provides an opportunity for public review of the Bidder's Quotes and allows the second responsible low bidder, Universal Blower Pac, the opportunity to protest the award recommendation within seven (7) calendar days from the date of this notice. Attached is a copy of the RFQ tabulation.

Quote submittal information will be available for review after award of the contract in person at the Public Works Director's office, located on the 2nd Floor of City Hall, 500 SW Dorion Avenue, Pendleton. Arrangements to review Bidder submittal information can be made with an appointment by contacting Jutta Haliewicz at 541 966-0240 or by email at jutta.haliewicz@ci.pendleton.or.us. Copies of information will be charged at the posted rates.

Sincerely,

Bob Patterson, PE
Public Works Director
