RE: Notice of Intent to Award – East End Booster Pump Station Project

To All Interested Parties:

City staff will be recommending City Council award for the above-referenced project to Michael A. Becker General Contractor, Inc. on Tuesday, October 17, 2023. The Council meeting begins at 7:00 p.m. and will be located in the Council Chambers on the 2nd Floor of City Hall, 500 SW Dorion Avenue, Pendleton. Attendance is also available via Zoom.

For each of the two apparent low Bidders, staff completed review of their bid documents for completeness, and the two lowest Bidders were determined to be responsive.

This Notice of Intent provides an opportunity for public review of Bidder's submittal information and allows the second responsible low bidder, Rotschy, Inc, the opportunity to protest the award recommendation. Attached is a copy of the bid tabulation.

Bid submittal information will be available for review after award of the contract in person at the Public Works Director's office, located on the 2nd Floor of City Hall, 500 SW Dorion Avenue, Pendleton. Arrangements to review Bidder submittal information can be made by appointment by contacting Jutta Haliewicz at 541 966-0240 or by email at jutta.haliewicz@ci.pendleton.or.us. Copies of information will be charged at the posted rates.

Sincerely,

Bob Patterson, PE
Public Works Director
